Subject: 2017 Jun MGM Average Monthly Billing excluding OH.pdf

Barry – I'm glad we connected on the rehab issue. Attached is the estimate from our divisional CFO. I also attached wire instructions. Our attorney is drafting a quick letter agreement extending the service and addressing the patient issue. I will forward to you once I receive.

I look forward to getting this resolved. I'm around all day tomorrow if you would like to discuss.

Thanks. Doug.
